TASTING NOTES

VISUAL

Lemon yellow, of great clarity and brilliance.

NOSE

We find the purity of viura from old vines located on slopes facing the sun, where the ripeness achieved provides us with a mixture of exotic fruit aromas with hints of dried flower petals. The French oak barrels bring mineral touches and spices, creating a complex and elegant whole, which gives this wine a unique personality.

PALATE

Great intensity on the palate, glycerine with gentle sensations of sweetness magnificently balanced with the natural acidity that gives liveliness and freshness with a long finish.

WINEMAKING WITH A GLOBAL OUTLOOK

Experience, security and vision. Production led by Roberto Rodríguez; faithful to the innovative character of the winery's founder, Cosme Palacio, he is a real expert on the Rioja Alavesa and carries the experience of the winery in his blood.
